Malcolm Cumming
Independent Trustee

Malcom has More than 40 years of work and experience which led to senior management positions involved in financial, legal and accounting management of companies within various business sectors, with a proven record especially over the last 20 years of productivity, quality, and integrity in a completely different industry to the first 22 years of my work experience.

He is analytical and detail-oriented, and most recently have identified and implemented improvements that increased accuracy, consistency, and efficiency in accounting and financial management and administration in share block companies and in the game reserve management fields.

He is also an energetic team leader, able to communicate effectively with people of all ages and backgrounds, to work collaboratively to resolve problems, and to motivate team members to achieve personal and organizational objectives.
